

## Different Options for Coaching & Cost...

There are several types of coaches and you could be any one of them!!  
You could be a:

1. Discount Coach. Someone who wants to take advantage of our amazing 25% discount on all of our products.
2. A coach who wants to earn back the investment made on their challenge pack.
3. A coach who wants to earn a part time income to have some extra fun money
4. A coach who wants to earn a 6 Figure- 1 million dollar income with Team Beachbody. A coach who wants to develop their own team and create a long lasting business for him or herself. (Beachbody does not guarantee any level of success or income from the Team Beachbody Coach Opportunity. Each Coach's income depends on his or her own efforts, diligence, and skill.)

So tell me, which one are you??

I am not here to push you towards any particular type of coach, however, I am here to help you achieve the type of coach YOU WANT TO BE!

It's \$39.95 to join and get your business kit, and then \$15.95/month for Beachbody to maintain your website. You get 25% discounts on all the products, and you can cancel it at any time if you want to discontinue. You can put in as much time, or as little, as you want. But long-term, you'll get out of it what you've put in. Most coaches who commit to working this business will earn around \$1,000 weekly after just 1 year and it keeps growing from there & could end earning you a 6 figure income or MORE!!

Another option: The fee is waived & signing up as a coach is FREE with the purchase of a "Challenge Pack". It's a discounted package with a fitness product, shakeology, accountability group, and 30 day club membership. Most of my new coaches are going with this since it's a great deal.

Hope you are ready to join my Team 😊
